Mark is the Treasurer of the UKIP Scarborough & Whitby Branch and UKIP's National Treasurer! Plus not forgetting he is the promoter of the UKIP Sovereign Draw, UKIP's flagship fundraising lottery. 'I am standing in the Borough Council elections in the Scalby Ward.

Scarborough has declined economically in recent years. Contrary to the Council's motto it is a good place to live and play but a lousy place to work. That decline must be arrested and reversed. Only a 'new look' Scarborough Borough Council can achieve that.'
